Clients attend three to five days a week, Monday-Friday. Each individual is assigned a case manager and is also seen by the program nurse practitioner and psychiatrist on a regular basis. **Transportation is available upon request to select neighboring towns.**

## REFERRAL PROCESS

For immediate assistance and access to care, referring therapists and potential patients may call the Intake Department, 24 hours a day, 7 days a week, at 800-22-ACCES (222-2250). For more information on the program, please call the Program Director, at (781) 871-6550 x36. To refer a patient to partial hospitalization, you may obtain prior approval from the patient's insurance company before contacting the Intake Department, or we can do an on-site evaluation and contact the insurance company with information needed for authorization.

## DESCRIPTION OF PROGRAM

The Adult Partial Hospitalization Program is a day program providing mental health care for adults, ages 18 and older, who have behavioral, psychiatric and/or neuropsychiatric difficulties.

The program offers a full range of services, including multidisciplinary evaluation and treatment, a highly structured milieu, and coordination of continuing care needs.

The purpose of a partial hospitalization program is to prevent a psychiatric hospitalization and/or to provide an extended period of restabilization after an inpatient stay. The PHP provides adults with comprehensive evaluation and treatment planning, medication management, psychoeducation and family counseling as indicated. Members of the program enjoy being with others in group therapy.

## ADMISSION CRITERIA

- 18 years of age or older
- Have emotional or psychiatric symptoms that are severe enough to require intensive treatment in order to restore functioning
- Not actively suicidal or homicidal or unable to contract for safe behavior.
